**CALEXICO UNIFIED SCHOOL DISTRICT TO HOLD  
“THE 3 “R’S”- RECOVER-REBUILD-REOPEN-  
STREET FAIR IN CELEBRATION OF SCHOOLS REOPENING**

CALEXICO- “It is a happy day! Students and staff are excited to get back to school after the long process of rebuilding our sites. There is still some work to do especially in regards to Jefferson Elementary School and Calexico High School, but we are on target and those sites are also tentatively scheduled to open the week of May 10.” CUSD Superintendent Dr. Christina Luna announced today.

A School Site Safety Clearance letter signed by Jesse Douglas Hartline – D.S.A. Class I Inspector, has been posted at each site that has been cleared. Repairs and asbestos abatement procedures will continue at Jefferson Elementary and Calexico High School. As a community advisory, the last day for food services for the Jefferson and Calexico High School students will be Friday, May 7, 2010.

“Our regard for student and staff safety has always been our priority and now with the hard work of our staff, contractors and maintenance department the majority of our schools are ready. It is truly an event to celebrate.” said Dr. Luna.

In celebration of the reopening of ten of the 12 Calexico Unified School District schools, the Calexico Unified School District invites the community to a city-wide celebration to be held at Crummett Park & Eighth Street, on Friday, May 7, 2010, from 6:00 – 10:00 p.m. CUSD's The 3 R's “Recover-Rebuild-Reopen” Street Fair will feature local acts including school dance and band ensembles, local rock and Latin bands, family activities, and surprise celebrities! Community support is very important because it will instill student spirit and help fundraise for each school site. The street fair will also include an arts and crafts garden for children, clowns, face-painting, an activities center, as well as food and refreshments. Come and celebrate the 3-R's with CUSD and help this be our 1st annual city-wide celebration!
